Events Guide

The Perfect Setting

Teepee on the green is the new al fresco dining concept brought to you by Yu restaurants. Located in the idyllic surroundings of the Ribble Valley and just off the A59, it is a great place to host private and more intimate events. The Teepee self seats 40 people inside and an additional 24 outside. It is a great space to host events such as Birthdays, Baby Showers, Work Parties, presentations, and even arrival drinks for those thinking of hiring both venues for private functions.

We can create bespoke menus for all occasions with the assistance of our In-house Executive Chef Victor Yu from Canapes to sit down meals, provide Chamagne Receptions, create bespoke cocktail menu's specifically for your event, as well as designing the Menus for you to provide a more personal feel.
